Postgraduate Training on Academic Research & Scientific Writing

INTRODUCTION

A three-level academic research and scientific writing training programme is specifically designed for postgraduate research trainees. The purpose of this training programme is to prepare a cadre of researchers for the promotion of quality research. The main focus of the postgraduate training is to equip students with modern techniques of research writing and applied research methodology. This training will enhance the understanding of researchers in a broader perspective where they would be able to differentiate between academic writing and non-academic writing while conducting their own subject-based research.

ELIGIBILITY

- Level 1: 16 years education (BS/LLB/MA/MSC) with enrollment in LLM/MS/PhD Programme at IIUI or any other university
- Level 2: Same qualification along with successful completion of Level -1
- Level 3: Same qualification along with successful completion of Level -2

LAST DATE FOR THE SUBMISSION OF APPLICATION

For undergraduate and postgraduate training programmes

JANUARY 31, 2018

REGISTRATION FEE

For Undergraduate Training Programme: Rs. 1000

For Postgraduate Training Programme: Rs. 1500

The training is free. However, registration fee will be used for provision of relevant material and concluding lunch.

The Registration Fee is non-refundable/ transferable to ensure that trainees are fully committed to the training course.
