PROGRAM

## INTRODUCTION OF THE CONFERENCE

The conference stems from a HEC sponsored thematic research project “Towards Advancing National Narrative Counter to Violence, Extremism and Terrorism in an Islamic Perspective” led by Prof. Dr. Muhammad Zia ul Haq, Principal Investigator (PI), and Dr. Muhammad Ahmad Munir, Co-Principal Investigator (Co-PI) of the Project. The conference seeks to bring forth high quality academic research on a variety of topics in the fields of Islamic Social Sciences, Anthropology and Strategic Studies. The research output of this conference is expected to provide research-based foundations for establishing an inclusive society in Pakistan that prevents incitement to violence and promotes respect, harmony, tolerance and peaceful coexistence. This will further contribute in countering terrorism and existing culture of intolerance that have been plaguing Pakistani society for the past several decades. The conference will be an effort towards an inclusive and heterogeneous Islamic society that promotes respect for every citizen irrespective of his creed, color, race, ethnicity, language and region.

Conference sessions, including opening and concluding ceremonies will be streamed online through Zoom.
